

## METHODIST CHAPEL CHRISTMAS LUNCH and CAROL SERVICE

Sunday 15 December saw members and friends gather together for the annual Christmas lunch followed by a Carol Service.

About 36 attended for the meal which consisted of the traditional roast turkey and all the trimmings followed by a selection of cold desserts and cheese and biscuits. Lunch was delicious and we were all very grateful to chefs Joan and Ellen who performed splendidly as usual. A raffle took place after the meal.

Some additional members of the congregation arrived in time for the Carol Service at 3pm. Rev. Mindy Bell took the service which was rather different this year. Members of the church acted in an alternative version of the Christmas Story which involved a Hawaiian shirt clad Andrew looking for the “sun/son”, shepherd Joan looking for her lost sheep Flossie and wise man/king Alan on a camel called Kevin. All this action was interwoven with traditional carols, readings and prayers to make an interesting and refreshing hour of worship.
